

**Modern
Slavery
is
REAL**

It is happening in our communities. An unseen crime, it hides in takeaways, hotels, car washes, nail bars and private homes.

It is estimated there may be as many as 13,000 victims in the UK alone. There is no typical victim of slavery.

Victims can be men, women and children of all ages and cut across the population, but it is normally more prevalent amongst the most vulnerable, minority or socially excluded groups.

Vulnerable members of our society, such as rough sleepers, are often targeted as the next victims of modern slavery. Homeless people may be targeted at night shelters, day centres, soup kitchens, hostels and on the street.

Homeless people are recruited into labour exploitation, sexual exploitation, domestic servitude and criminal exploitation.

Homeless people & rough sleepers are offered work in agriculture, construction, paving, domestic work and other areas.

Child Sexual Exploitation is a type of child abuse.

CSE involves young people and children being 'groomed' and sexually exploited.

It can take many forms, such as through an apparently 'consensual' relationship with an older person or a young person having sex in return for attention, cigarettes, alcohol or other gifts.

Many young people who are being exploited do not realise they are at risk and will not ask for help. Some may see themselves as willing participants in such abuse, not realising that what is happening to them is illegal.

There are warning signs that may indicate something is wrong – unexplained gifts or money, excessive use of mobile phone, older friends, being picked up from school, self-harming plus many more.

If you know a young person displaying warning signs you should take action and seek help, contact us by ringing 101 or in an emergency 999 if you prefer not to speak to the police you can contact Children's services 0345 155 1071 or out of hours 0845 6000388.

If you are being exploited or abused **HELP** is available ring 116 000 for confidential help and advice, you can also ring child line 0800 11 11

It is Lambing Season and we ask that care and attention is taken controlling your dog in and around areas with sheep.

Dogs by nature may want to play or chase livestock which may unwittingly cause harm.

Please be aware sheep worrying is an offence.

It is legal for landowners to shoot dogs to protect their livestock, providing there was no other way of stopping the dog worrying their animals and they report the killing to the police within 48 hours. Livestock also includes domestic fowl, geese or ducks
