Clerks Report – 13 May 2025

1. **Toilets & Car Park** – The Chairman and myself are meet with the Solicitors 24 April to move things on. Samuels Solicitors are writing to NDC to define and agree the terms of the transfer.
2. **Defib update** – Defib is up and running, familiarisation sessions booked for 20th and 24th May.
3. **P3** – BPC P3 survey and application has been submitted, the most we can expect is £120.
4. **Bus stop bins and bins in general** – Not all 11 public waste bins are registered with NDC and therefore not scheduled to be emptied. I have now applied for them to be added.
