

Berrynarbor Parish Council

County Councillors Report

June 2025

Vehicle Activated Sign (VAS)

Safety audited sites for the sign, all but one will require a pole/permission from the landowner.

Thank you for asking me to arrange and take part in the safety auditing for the VAS sign, I will send the link over to Julie to request the funding from my locality grants scheme. I will fund the sign but the Parish Council needs to obtain permission from the landowners on three sites and purchase and erect the poles for the sign to go on. You need as minimum of three sites.

Not DCC land so you will need to ask the landowner

Barton Lane on the highway post; see below;

Wild Violets (need to check ownership/permissions)

Summer Holiday Activities and Food (HAF) programme.

The Government-funded scheme provides activities and nutritional meals over the holidays for children aged five to 16 who receive benefits-related free school meals.

If your child is not eligible for benefits-related free school meals they still may be able to access activities under the 'extended criteria.'

More information about the extended criteria on [information for parents and carers on our children, families and education](#) webpage.

It is now possible to [book activities](#) online. The new EEU system displays all the holiday activities on offer, with links detailing where and when the activity is, how to get there and other important information. Once you've applied the booking system will carry out an instant assessment of their eligibility to attend. If eligible, you will receive a confirmation of the booking and you will be sent reminders ahead of the session.

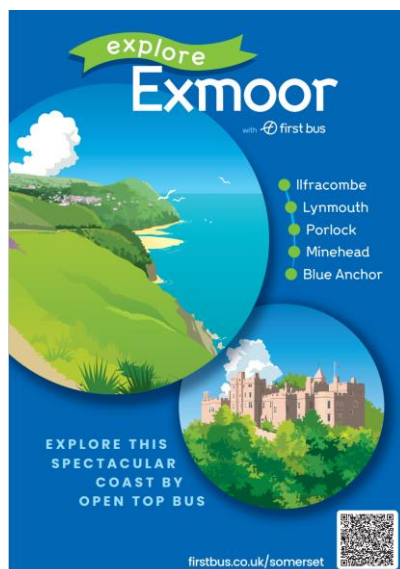

If you need to cancel it's easy to do and will free up the slot allowing those on the waiting list the chance to book.

There are over 100 holiday activity providers around Devon who provide a wide range of activities for children and young people.

From arts and crafts workshops to sports and outdoor activities, the programme is designed to keep children engaged, active, and well-nourished during the school break. All clubs will be operating for a minimum of four hours and will include a hot meal.

One of the venues available is the Calvert Trust which offers a range of activities and is a great opportunity to try something new.
