Clerks Report – 14 October 2025

Gate to Recreation Field – SWW have sorted their padlock out but ours is stuck solid so we need to purchase a new one.

Works Completed – the hand soap dispensers are installed (thank you Dave Richards). The work in the recreation area is completed and the sand bunker is looking good (thank you Robin Pickering).

External Audit – PKF Littlejohn have signed off the accounts and the notice of closure is now published. Asset Register needs sorting and Documents need to be stored in a fire proof cabinet,

Ye Olde Globe Update - It was standing room only at the first community meeting to discuss the future of Ye Olde Globe. Thank you to everyone who came along and offered support and ideas. Chris has already begun shaping the bones of a Globe Together steering group, which will guide the next steps in bringing the pub back to life for the village.

The group is making good progress, reaching out to local interest groups with a view to coordinating an impactful awareness campaign. They have also pulled together an extensive list of trusts and grants to be approached as part of future funding plans.

Collecting stories and content will be key to shaping our campaign and showing what the Globe means to Berrynarbor. The name Globe Together reflects both the spirit of unity behind the effort and the idea that this is our pub, our history, our future. We'd love to gather old photos, stories and fond memories of life at the Globe to help celebrate its place at the heart of our community.

To coordinate efforts going forward, a steering group has now been formed:

Globe Together — a community-led initiative with the aim of saving, restoring, and reopening Ye Olde Globe as a community-owned pub for the benefit of the whole parish.

Steering Group Members:

Chris Copland – Chair

Sandy Anderson – Finance & Plunkett Coordinator

Julie Irwin – Secretary

Rob Kitchen – Communications

Globe Together – Our pub. Our history. Our future

Bench for Dog walking area - Has been ordered. The PC have already agreed to cover the cost of installation and I will get quotes for this work.

Berryarbor Emergency Plan – the grant money is now in the PC account. The first community event will be on the 20 November 19.00-21.00.

Toilets – Samuels Solicitors have again been trying to contact NDC but with no response. We had another unfortunate incident where faeces was smeared over the walls in the male toilet. Fresh Out Cleaning did an extra clean which BPC will pay for.

P3 funding - A grant of £1620 has been awarded for the special projects identified in the application. I will work with Cllr. Fairchild to organise.
