An update on the NarborNews was provided to inform **agenda item 7**. In September 2024, the PC requested a new village newsletter. It was stated that part of the remit should be a paper version as it had been acknowledged that not all villagers had access to the internet and were therefore excluded from events and news effecting the community. November will mark the 12<sup>th</sup> Edition of NarborNews. We have a Team of volunteers distributing 150 copies door to door; Barton Lane, Pit Hill, Haggington Hill, Mill Lane, Sterridge Valley, the remaining 50 are delivered to distribution points at the Community Shop, Manor Hall, Bent Peg & Sawmills. 84 villagers receive copies direct by email. We have recruited an assistant who checks for typos and errors. We would ideally like to recruit further volunteers; to a) gather news and b) seek sponsorship. Compilation, design, editing, approval and distribution of the newsletter have all been completed voluntarily. Cost of printing has been maintained at £60 per month, so an annual cost to the Parish of £720, however we have had 2 monthly sponsors meaning £120 has been recouped.

### Problems and Concerns

- a comment from one villager who believes cost of production is money not well spent
- a question has been raised about waste and frequency of issue
- a survey at the end of September of copies not collected from Distribution points. September copies remaining were: Community Shop 0, Manor Hall 6, Bent Peg 8, Sawmills 8.
