Clerks Report – 10 March 2026

Bench for Dog walking area – the bench has now been installed and I am planning a post about it I have spoken with the people who donated it and they are happy for a post.

Asset Register – we were pulled up on the Asset Register at the audit for 2025-2026, I need to do some work on it before the next audit at the end of this month. I have located the Deeds for the Manor Hall recreation area, Claudes Garden, but not the recreation area.

Year End Audit – I am preparing for this audit and need to ensure money is spent as much as possible, e.g. VAS.

Emergency Plan – I am still waiting for more feedback from the draft, although the feedback that I have had has been very positive. I will organise another meeting in April. I am also working with other Clerks regarding the issues posed by the loss of copper cables and lose of landline communications.

Insurance Renewal – It is that time of year again and I will be looking at the renewal cost,

P3 Funding – we now have the P3 funding for 2025-2026 for 2 projects, the bridge repair (Footpath 16), and making a better footpath for footpath 19. I have asked for a quote for footpath 19.

Community Road Warden Scheme – DCC devon.gov.uk, communities carry out minor work that DCC can no longer resource and do not have a legal responsibility to carry out. DCC provides third party insurance for the work and free training. I ma going to add this to the April agenda and provide more information.
