

BERRY IN BLOOM – SPRING 2026

The main aim of Berry in Bloom is to keep Berrynarbor looking clean and attractive with planters having winter or summer bedding plants planted at the appropriate times.

The areas in the village that Berry in Bloom takes responsibility for are:

- Outside the Manor Hall and Pre school
- Area around the community shop
- Planter at the top end of Barton Lane
- Village Square
- Church Grounds
- Planters on the corner of Barton Lane
- Bus Stops – Pitt Hill & Church Steps

In the summer months hanging baskets are provided at various locations around the village:

- Last year, hanging baskets were purchased from St. John's Garden centre in Barnstaple. However, the cost of these baskets was over £700 and made up a large portion of our annual spending of £1,200. It has been suggested that we arrange a session in the Manor Hall where the hanging baskets are prepared by a group as part of a community project to reduce this cost. All bedding plants, bulbs and compost will be sourced locally.
- In total we provide 15 hanging baskets around the village.

Planned Events for 2026

- Work parties will be set up to deal with the summer bedding planting after April
- A main litter pick will be arranged before the summer holidays
